

1st Grade Summer Reading

- 1) Read at least 7 books.
- 2) Keep track of all the books you read with the attached reading log.
- 3) Use the attached template to report on 3 books.
 - A. Fiction
 - B. Non-fiction (animals, weather, seasons, people etc.)
 - C. Your choice

Attached you will find a list of suggested books that are appropriate **for your child to read, or for you to read to them.** You or your child can record the books they have read on the attached reading log during the summer. You do not need to buy any books. You can find many resources on the Baltimore County Public Library website at <https://www.bcpl.info/>. You can also go to the library and the librarian will help you find books. Any book your child reads can be added to the log, not just the ones on this list. When school begins next year, please return the reading log to your child's teacher.
